

## DEBT FREE WILMINGTON WEEK TWO

•Where does God belong in your finances? Is He there?

Where have you placed God?

•How can you put God first in your life and finances? Are you following what God desires for you?

•Why does God ask us to tithe? Why do we hold onto our money as if it isn't God's anyway?

•Do you trust God enough to put Him first in your life and your other financial obligations second? If you obey God, do you trust that He will provide for you?

•How can you be satisfied? Do you always want more or need more? Are your finances a blessing or a curse to you?

•Is this a struggle in your marriage? In your relationships with others?

•God doesn't need your money He wants your heart. What are some ways that you can give God all your heart?

•Malachi 3:8-10 says, "Will a man rob God? Yet you rob me. "But you ask, 'How do we rob you?' "In tithes and offerings. You are under a curse—the whole nation of you—because you are robbing me. Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this," says the LORD Almighty, "and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it.

God didn't hold anything back in these verses. He declares that if you come to terms that everything you have is already His, are obedient to His word, and believe that He can change things, He will work in ways you never imagined. He is more than capable of knocking your socks off.

• Can you trust Him that much? What is holding you back? Fear, anxiety, stress...?
